

Welcome to Miki City!

To live in Japan among Japanese people with a peace of mind, it is important for foreign residents to familiarize themselves with Japanese customs and rules. This “Miki Lifestyle Guidebook” was made for you all who, after having received your residence card, are starting a new life here in Miki City.

In this guidebook, we have compiled information on Japanese rules, customs, and other information related to daily life in hope that you all can live worry-free here in Miki. Please use this book if you come across anything you struggle with or don't understand. Names of institutions, organisations, documents, as well as terms we would like you to know will be included as-is. Other items will be written in “Plain Japanese.”

We hope that this guidebook will be of great help to your life here in Miki City.

Names of institutions, organizations, and documents will be like so.

are terms that we would like you to remember.

This guidebook was created using Immigration Services Agency of Japan's “Guidebook on Living and Working (Plain Japanese ver.)” as a reference. Information in the guidebook (including URLs and QR codes) is current as of late-March 2026.

This “Miki Lifestyle Guide” was made with the cooperation of volunteers from the Miki International Association (MIA).
