焼却店や食料、雑店などの事業系ごみは出せません。

一度に出せる量は、ごみ袋3袋まで。

空き缶は空き缶ボックスに入れてください。

三木市 No. -

Important Notices

- Please sort and put out your waste correctly by **type**.
 - Please dispose of your waste using the **proper method and bags**.
 - Up to three garbage bags may be put out per household per day (for each collection).
 - Please put out your waste between 5:00 and 8:00 a.m. on designated collection days.
 - For liquids such as cooking oil and liquid seasonings, soak them up with cloth or paper and dispose of them as **burnable waste**.
 - If your waste is not collected and has a **sorting sticker** attached, it was put out incorrectly, either on the wrong **collection day** or as the wrong **type of waste**. Please take your waste back home and put it out again on the correct collection day.
- ★TVs, refrigerators, freezers, washing machines, air conditioners, and clothes dryers **cannot be collected by the city**. Please contact an electronics retailer or other authorized service provider for advice.
- ★Power banks and rechargeable batteries can be disposed of at the Waste Disposal Center, City Hall, the Yokawa Branch Office, and municipal community centers.
